

Compliance Manager

Included Training

Training Courses

Overview of Compliance Manager Training Courses.

Course Code	Course Title	Course Description
CM00102	2017 CPT Coding updates (includes audio)	This webinar provides attendees with an overview of any new, revised or deleted CPT codes for 2017.
CM001001	Centers for Medicare and Medicaid Services (CMS Guidelines) (includes audio)	Learn about the Centers for Medicare and Medicaid conditions of participation and coverage, evaluation and management guidelines, the national correct coding Initiative, and Recovery audit contractors.
CM001002	Communicating Audit Results (includes audio)	Learn about documentation that is pertinent to an audit report and get tips for communicating results to a provider or entity.
CM001003	E/M Services (includes audio)	Learn about Evaluation and Management services, including proper selection of levels, guidelines, and documentation requirements.
CM001004	False Claims Act (includes audio)	This course provides a description of this federal law that imposes liability on covered entities including providers, hospitals, nursing homes, and any other medical facility that participates in Medicare, Medicaid or military insurance (Tri-Care). It provides insight on best practices of documentation, training, auditing and monitoring claim submissions. It also shows case results of those covered entities who chose to defraud the government and what resulted from their actions. It also covers the "qui tam" provision and how a whistleblower can be prevented.
CM001005	Federal Guidelines (includes audio)	Learn about the Federal False Claims Act, Stark and Anti - Kickback Statutes, Civil Monetary Penalties and the Exclusions Statute.
CM001006	HIPAA (includes audio)	Learn about HIPAA Privacy and Security Regulations
CM001007	HIPAA Privacy and Security Training (includes audio)	HIPAA Privacy and Security/HITECH

CM001008	Medical Record Documentation (includes audio)	Learn proper documentation techniques for common forms, evaluation and management services, operative notes and ancillary services.
CM001009	Office of Inspector General (includes audio)	Learn about the OIG, Health and Human Services Corporate integrity agreements and effective compliance guidance.
CM001011	OIG 7 Elements of an Effective Compliance Program (includes audio)	This course reviews the 7 elements of a Compliance Plan required by the OIG. The course unlocks key best practices on how to have a successful compliance program no matter the size of the medical organization or practice. After reviewing this course the attendee will have a better understanding of compliance and be better prepared to audit, monitor, train, mitigate risk and document all steps of a risk investigation.
CM001012	OSHA Training (includes audio)	OSHA Training
CM001014	The Audit Process (includes audio)	Learn about the different audit types as well as the step by step process of conducting an audit.
CM001013	The Medical Record (includes audio)	Learn about Medical record documentation requirements.
AAPCCBF1009-17	Sexual Harassment Prevention Training Course (audio included with select slides)	Sexual Harassment Prevention Training Course
CM-client90001	Bloodborne Pathogens Training (no audio)	This presentation was created and submitted by a client, not by AAPC.
CM-client90007	General Safety Training (no audio)	This training was submitted by a client and not produced by AAPC.
CM-client90004	Identity Theft Face-Off Game (includes audio)	This training was submitted by a client and not produced by AAPC.
CM-client90002	Identity Theft Program (Red Flag Rules) (no audio)	This training was submitted by a client and not produced by AAPC. In November 2007, the Federal Trade Commission (FTC) issued a set of regulations known as the "Red Flags Rules". The Red Flags Rules requires certain entities to

		<p>develop and implement policies and procedures to protect against identity theft. Identity theft occurs when someone uses another's personal identifying information (e.g. name, SSN, credit card number, insurance enrollment or coverage data) to commit fraud or other crimes.</p>
CM-client90005	Medicare Parts C & D Compliance Training (Part 2) (no audio)	<p>This training was submitted by a client and not produced by AAPC. Medicare Parts C & D Compliance Training – Developed by Centers for Medicare and Medicaid.</p>
CM-client90006	Medicare Parts C & D Fraud, Waste and Abuse General Compliance Training (Part 1) (no audio)	<p>This training module consists of two parts: (1) Medicare Parts C & D Fraud, Waste, and Abuse (FWA) Training and (2) Medicare Parts C & D General Compliance Training. All persons who provide health or administrative services to Medicare enrollees must satisfy general compliance and FWA training requirements. This module may be used to satisfy both requirements.</p>
